Communication	<div></div>
Computer Literacy	<div></div>
Time Management	<div></div>
Documentation	<div></div>
Microsoft Office	<div></div>
Problem Solving	<div></div>

ABOUT ME

Since my Childhood, I loved tinkering with various things, Find out how they used to work and fix them again. Actually I learnt a lot from all this and one of the important things I learnt is how to apply critical thinking and problem-solving strategies to today's complex problems. I'm Pursuing my Bachelors in Computer Applications and searching for internships to improve my connections, networking and most importantly, my skills.

EXPERIENCE WORK

- 2021
Founder | Tribal Tech Sorts
It's my own Startup which works on Tribal Communities living in remote areas of India
- 2021
Campus Ambassador | Tech Learn
Worked as a Campus Ambassador for an E-Learning Company Tech Learn.
- Current
Content and Social Media Management |
Roodad-e-Qaum
working as a Social Media as well as Content Manager of a Weekly Magazine of J&K.
